

Josab signs agreement with Mangold Fondkommission as liquidity guarantor

”Josab Water Solutions AB (publ) announced today that the company has appointed MangoldFondkommission as liquidity guarantor for the company's share. The purpose of the liquidity guarantee is to improve the liquidity of the share and reduce the difference between the bid and ask price. The assignment will begin on September 9, 2021.

In its assignment as liquidity guarantor, Mangold will ensure the opportunity to trade in Josab's share every day by continuously placing trading items on each buy and sell page in the order book. A liquidity guarantee is intended to create a more accurate price picture in a company's share, which in turn provides a more accurate valuation of the company and provides an opportunity for an improved trading volume in the share.”
